The header contains the Anaconda logo, navigation links for Products, Solutions, Resources, and Company, and buttons for Sign In and Get Demo. The main content area is divided into two columns. The left column features a section titled "Get Started with Anaconda – Free" with a paragraph about installing Python, Jupyter, and data science packages. Below this are three expandable sections: "What's included in Anaconda Distribution?", "What's included in my free Anaconda account?", and "Added Benefits for Academic Institutions". The right column has a "Download Now" section with a subtext "Get access in 30 seconds. Completely free.*" and two buttons: "Get Started" and "Returning Users". Below these buttons is a small disclaimer about terms of service. At the bottom of the page is a light blue banner with the text "Manage Trusted Packages and Environments with Ease" and a subtext "Spend more time developing and less time managing package updates and dependencies".
